## CHAPTER I'S NEWSLETTER

NOVEMBER 2015

### BOB AND BECKY'S PAGE

How's it going--good?? Well, another beautiful fall is coming to an end and we all know to well what's coming up next, it's Ohio. Not much to write about. We did have a lot of fun at Rob & Sue's wiener roast, little chilly that evening, but Rob had the garage pretty toasty. I got to play Mexican Train for the first which was a lot of fun, while others played euchre. Thanks everyone who showed up and "Thank You" Rob & Sue for the hospitality. Well, the big thing coming up is the Road Kill Stew Dinner/Auction on Sat. Nov.7th. We hope to get lots of things to auction off and hope everybody's in a buying mood. We always seem to have lots of fun and the donations always go to a good cause which have been to Salvation Army, Hospice, Glenmont Food Bank, Apple Creek Park, and Flight 93, some of the charities. We will be needing some help to set up tables, etc. We will be there at 2:00 to get the hall started. We will start serving by 4:30, auction to follow at 6:00. The flyer is in the newsletter and is open to anyone. Don't forget about the chapter Christmas Party/Supper on Sat., Dec. 5th. at Des Dutch Essenhaus in Shreve. Check the flyer in the newsletter for details, such as the gift exchange-men for men and women for women-bring one, take one. If bringing door prizes, wrap them also. Please remember Nov. 11th is Veterans' Day and be sure and thank our Veterans'. Some of the staff will be attending the Fall Officers meeting on Sat. Nov.14th at Apple Valley and then will make our way up to the chapter gathering that evening, that is also open to any members who wish to attend. The meeting starts at 9:00am. We want to wish everyone a "Happy Thanksgiving", it's always a good time to spend with family and friends. Be sure and check the flyers in the newsletter and the remaining events on the ride schedule.

# RON'S RIDER EDUCATION PAG

## RIDER ED 'GIMME 5'

### TOPIC: End of Season Cycle Maintenance

Whether the riding season in your area lasts only four or five months, or as long as ten months, most of us will let our motorcycles remain unriden for a long enough period of time that it is best to prepare it for a season of rest.

November typically brings weather throughout the northern tier of states that is not very good for motorcycling. Most parts of this great country of ours experience two or more months of weather that is not considered part of the riding season. The air temperature alone gets cold enough to cause hypothermia without adding the wind chill from sitting atop a motorcycle while blasting down the road at legal speeds – even at 45 mph. And many areas will have snow on the ground before the month is out. Some of you may be cold-blooded enough to prolong the season a few extra weeks, but for most, there is a period each year when your motorcycle becomes a lonesome friend sitting quietly in the garage.

Before you park it for a season of inactivity, this is a great time to get your end of season maintenance done. It is recommended that you change the oil and oil filter to remove contaminants – dirt, deposits, acids and moisture – that can lead to corrosion inside the engine. Other fluid levels should be checked for proper level. If the fluids are due for replacement based on miles ridden since the last change (check your manual and service history), this is a good time to do that and any other maintenance tasks that you may have been putting off.

Your mechanic likely is not very busy at this time of year. He (she) would probably appreciate your visit, too! And you know your bike will be better for it. Then when spring comes next year (it is not that far off, after all!), you'll be ready to go without a visit to the mechanic before planning your next big ride. After you get it back from your mechanic, fill the gas tank and add the appropriate amount of fuel stabilizer (such as Stabil) before parking your Wing. Wash and wax the bike and inflate the tires. The battery should be disconnected from the motorcycle (negative terminal first) and trickle charged at least every 30 days, per your Gold Wing Owner's Manual. (Refer to your battery charger manual for more charging details.) Take good care of your Wing, and your Wing will take good care of you!

## SUNSHINE LADY

Greetings to our Goldwing Members / Friends: Fall is upon us, as we experienced that with not being able to take a fall leaf ride. But there were a few who enjoyed the hospitality at the Jester's in the evening and had a nice social time. Then Rob surprised us a few days later by spending a little time at the VA hospital. We're keeping him our prayers so that he has more better days than bad. Also keeping in our prayers are Shari DeLisse to find the cause of her health issues along with Gloria Blackburn who is recovering from having shoulder surgery. Wishing her a speedy recovery and hope she doesn't decide to take anymore falls. Prayers to anyone who I may have missed, wishing you well and looking forward to seeing all at our upcoming Road Kill Stew Supper and Auction on the 7th of Nov. Now, do remember if there are any items taking up extra space in your home, donations would be appreciated for the auction which will start at 6 PM. Items can be brought in prior to eating time of 4:30 PM. The month of November will be a busy month for eating out as the 10th we will be going to BW3 in Wooster at 6:30, our Gathering is on the 14th, and to Shiloh on the 21st for the Steak Fry Dinner at the American Legion. -- course you know that leaves much time for you to prepare food for our "special day" of THANKSGIVING on the 26th. We'll be keeping the families who have lost loved ones in our prayers and be "thankful" we have enjoyed many events and riding time together this past year.

OH -- How can we ever forget.....DECEMBER 5th -- Christmas Party in Shreve at the Des Dutch Essenhaus. Sure hope your getting your reservations made as we'll need to know soon who's been naughty and/or nice -- I'm sorry I mean who will be attending 😊 so there'll be plenty of food prepared.
